RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

On March 6, 2015, Kristen Silverio (“petitioner”), on behalf of her minor child, G.L., filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that as a result of receiving the varicella and pneumococcal conjugate vaccinations on April 16, 2012, G.L. suffered complex febrile seizure and subsequent epileptic seizures and disorders. Petition, ECF No. 1. On November 14, 2019, Special Master Roth issued a Ruling on Entitlement in favor of petitioner. ECF No. 91. Respondent now proffers the following regarding the amount of compensation to be awarded.¹

¹ The parties have no objection to the amount of the proffered award of damages. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(f), to seek review of the Special Master's November 14, 2019, Ruling on Entitlement, finding petitioner entitled to an award under the Vaccine Act. This right accrues following the issuance of the damages decision.

I. Items of Compensation

A. Life Care Items

Respondent engaged life care planner Laura E. Fox, MSN, BSN, RN, CNS, CLCP, and petitioner engaged Roberta Hurley, Hurley Consulting, to provide an estimation of G.L.'s future vaccine-injury related needs. For the purposes of this proffer, the term "vaccine related" is as described in the Special Master's November 14, 2019, Ruling on Entitlement. All items of compensation identified in the life care plan are supported by the evidence and are illustrated by the chart entitled Appendix A: Items of Compensation for G.L., attached hereto as Tab A.²

Petitioner agrees.

B. Lost Future Earnings

The parties agree that based upon the evidence of record, G.L. will not be gainfully employed in the future. Therefore, respondent proffers that G.L. should be awarded lost future earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(B). Respondent proffers that the appropriate award for G.L.'s lost future earnings is \$1,186,719.84. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that G.L. should be awarded \$245,000.00 in actual pain and suffering. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

² The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

D. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to G.L.'s vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$5,859.08. Petitioner agrees.

E. Medicaid Lien

Respondent proffers that G.L. should be awarded funds to satisfy a State of Connecticut Medicaid lien in the amount of \$31,581.68, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Connecticut may have against any individual as a result of any Medicaid payments the State of Connecticut has made to or on behalf of G.L. from the date of her eligibility for benefits through the date of judgment in this case as a result of her vaccine-related injury suffered on or about April 16, 2012, under Title XIX of the Social Security Act.

II. Form of the Award

The parties recommend that the compensation provided to G.L. should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:³

A. A lump sum payment of \$1,438,719.84, representing compensation for life care expenses in the first year after judgment (\$7,000.00), lost future earnings (\$1,186,719.84), and pain and suffering (\$245,000.00), in the form of a check payable to petitioner as guardian(s)/

³ Should G.L. die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, lost future earnings, and future pain and suffering.

conservator(s) of the estate of G.L., for the benefit of G.L. No payments shall be made until petitioner provides respondent with documentation establishing that she has been appointed as the guardian(s)/conservator(s) of G.L.'s estate. If petitioner is not authorized by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of G.L., any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of G.L. upon submission of written documentation of such appointment to the Secretary.

B. A lump sum payment of \$5,859.08, representing compensation for past unreimbursable expenses, in the form of a check payable to petitioner, Kristen Silverio.

Connecticut Department of Administrative Services
ATTN: Jennifer Koske

Hartford, CT 06103
Case Number: 3735017

At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity

⁵ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

2. Life-Contingent Annuity

The petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as G.L. is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of G.L.'s death.

3. Guardianship

No payments shall be made until petitioner provides respondent with documentation establishing that she has been appointed as the guardian(s)/conservator(s) of G.L.'s estate. If petitioner is not authorized by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of G.L., any such payment shall be made to the party or parties appointed by a court of competent jurisdiction to serve as guardian(s)/conservator(s) of the estate of G.L. upon submission of written documentation of such appointment to the Secretary.
